PE & Sports Premium Statement

2024 - 2025

The government is providing additional funding to improve the provision of physical education (PE) and sport in primary schools – this is allocated based on the number of children in Year 1 – 6.

Last year from the government we received two amounts totalling £19,220. This is made up of £16,000 plus £10 per pupil.

The PE Premium funding is used to continually improve PE and Sport Provision across the school. Since the introduction of the PE premium in 2014 this has meant a huge success in raising attainment in PE and we will continue to build on our provision again this year.

We already prioritise PE and sport in our budget to enhance children’s participation, involvement and attainment in PE; however, this additional sum contributes a significant amount for our school which so far has enabled us to develop the PE offer in our school. The PE premium contributes to the overall PE budget and in the financial year 2024 - 2025 will be spent in line with government recommendations for how to best utilise the funding:

Objectives		How Funding is Allocated	Benefits for the Children	Funding Allocated
Objective 1	<i>To ensure all children have access to a range of high-quality teaching and learning opportunities in PE and Sport</i>	• After School provision • New equipment and play facilities • Sports Days organising • Special Year Group PE activities • Summer Sports Camp Visits	Providing children with a range of opportunities to take part in bigger sports festival to celebrate annual sporting achievements Sports clubs include a range of activities- children are given opportunities to take part in; dodgeball, football, table tennis, hockey, basketball, archery, boccia, Tag Rugby, NFL Flag Football, benchball, athletics, gymnastics Sports days for all children further support collaborative learning opportunities and a sense of team spirit. Opportunities will be provided for all children in Years 4, 5, 6 to take part in the SportInspired festivals.	£12,500

Objective 2	<i>To ensure children within the Federation of Daubeney, Sebright and Lauriston Schools have opportunity to work with each other</i>	Bringing children from all three schools together for trips competitions and events to increase participation in competitive sports such as football, basketball and dodgeball.	Opportunity for children to experience healthy competition and represent their schools and build new relationships and increase their confidence, team spirit, resilience, determination and self-esteem and collaboration. All children in Years 3-6 will have an opportunity to participate in Federation events and competitions.	£900
Objective 3	<i>To provide children with access to specialist sports sessions and other sporting role models</i>	- Alternative PE sessions and classes such as cricket, football, rugby, etc - Working with a variety of external agencies such as: -Young Hackney coaches and/or students -Middlesex cricket club - Leyton Orient Trust, - Platform Cricket -Hackney Rugby	Specialist coaches will further increase children's knowledge in more depth of a range of a range of traditional and non-traditional sports and health enhancing activities through the curriculum, clubs, and school visits This provides children with a wider range of understanding of aspects of sport not usually taught within the curriculum; and helps the schools make links with other local sports people and businesses .	£920
Objective 4	<i>To ensure children have a range of PE and Playground equipment to play and learn</i>	New play and sports stock to develop playtime, lunchtimes and the links to the PE curriculum; this will benefit children across all age groups	Children will see links between play and sport; they will become increasingly independent which will impact on the health and well-being of children. Children will have exposure to a broader range of activities which they can participate in during break times. These include; tennis, basketball, football, kingball, scooter boards, balance boards, skipping ropes, tyres. Having a range of equipment will encourage children to be more active and therefore they will	£4,900

			derive health benefits.	
Total Expenditure				19,220

School Data *Year 5 children have received swimming lessons throughout this academic year.*

Percentage of children taking part in:

	EYFS	KS1	KS2
Competitive school/inter school competitions	20%	100%	100%
An extra curricular club	50%	60%	65%

School Swimming Data (2023 - 2024): Year 6 Cohort
