resilience and
risk taking.

Benefits of Forest School - Parent feedback 2023

- Social, academic (concentration and observation skills) environmental, I think he benefits from working in smaller groups too.
- Adventure! Things to talk about! Experimentation!
- Emotional skills and awareness of natural world
- Social and academic
- Very good to be out in nature and to learn all the things about nature.
-
- It's always helpful to spend some time on fresh air
- Confidence, learning new skills, being in nature
- Personal and social development; learning problem solving skills; encourages wellbeing for self and empathy for nature and the positive impact on the environment; respect and care for the natural world; improves capacity for learning
- Social skill and using imagination

What are the positive or negative about Lauriston Forest School?

- Being outside in nature
Learning about safety rules while outside
- Making a necklace
- Using magnifying glasses to look at things
- He's told us about making story stick and a nest for birds and collecting stones
- Learning about nature, comes back excited and engaged with the new skills he's learnt.
- She's told me about the bugs and leaves and how much she enjoyed exploring in the trees. And that was without me asking.
- Art and craft and making things
- He found a piece of pottery and thought it was from the Roman times! he was very pleased with his find.

Lauriston Forest School.
