

Do you think your child benefits from participating in weekly Forest School sessions? If Yes, how?

Can you mention some examples of positive/negative things about Forest School that your child has shared with you?

- In all ways.
- Confidence, learning new skills, being in nature
- personal and social development; learning problem solving skills; encourages wellbeing for self and empathy for nature and the positive impact on the environment; respect and care for the natural world; improves capacity for learning
- Academically social
- I think it is great that Albie was able to spend time learning in a different environment. He enjoyed spending time with Nova
- Social, academic, nature
- All ways

100% YES!

Forest School

Lauriston School Parent Feedback Autumn 2023

Does your child enjoy Forest School?

- Sorry, nothing jumps to mind.
- He always says he had a great time making things
- He found a piece of pottery and thought it was from the Roman times! he was very pleased with his find.
- He just says he like it
- I think some of the times he has done forest school in the playground. He had also mentioned the behaviour of some of the children
- Nope - all positive
