

It's always helpful to spend some time on fresh air

Being outside in nature Learning about safety rules while outside Making a necklace Using magnifying Glass to look at things

he's told us about making story stick and a nest for birds and collecting stones

Lauriston Forest School

How has Forest School helped your child?

Learning about nature, comes back excited and engaged with the new skills he's learnt.

he said that he likes everything about forest school and he was talking specifically about 'mud soup' :)

It's all positive things he shows me the things he collected with excitement

She's told me about the bugs and leaves and how much she enjoyed exploring in the trees. And that was without me asking.

Reception

Blossom Federation

Daubenev, Sebright and Lauriston

Emotional skills and awareness of natural world

Adventure ! Things to talk about !
Experimentation!

Lauriston Forest School

How has Forest School helped your child?

Very good to be out in nature
and to learn all the things
about nature.

.Social, academic
(concentration and obser-
vation skills) environmen-
tal, I think he benefits
