Next year I will be in Reception.

I will be in Fir or Larch. These are our classrooms.

Fir

Larch

They are on the ground floor.

These are my teachers.

Annabelle

Deirdre

These are the other adults who will be working with me.

Karessa

Sarah

Amal

Angie

This is our outdoor space where we play and learn.

The first two days I will stay for the mornings,  
then the next two days I will stay for lunch and on  
Friday I will stay for the whole day.

My class will have lunchtime ....

from quarter to 12 to 1 o'clock

This is the entrance I will use to come into school.

When I go to school I may feel a bit nervous.

Everyone feels nervous on the first day of school,  
even the teachers!

I might be excited too because I am going to see  
my teachers and make new friends.

I am going to have a fun and exciting year and I  
will learn a lot of new things.
