Update Letter

Dear Parents and Carers,

It's been a very busy and positive week for the school. Last Friday Hackney Education asked the school to host a group of Head Teachers from Southend and deliver training to them on Developing Leadership Capacity. The six visiting Head Teachers spent the whole morning at Lauriston and visited classes, met children and looked through examples of children's work. It was a great morning and all our visitors loved the school and spoke glowingly about the children and staff.

Swiftly following that, we also had our first visit from our new Hackney School Improvement Partner, Laleh Laverick. Again, Laleh spent the entire morning with us, visited all classes and spoke with a range of children, staff and senior leaders. It was a very positive visit and we agreed that the focus of the future SIP visits will be linked to our current School Development Priorities. [School Development Priorities - Lauriston Primary School](#)

On Wednesday evening we held a Governors Meeting for the Curriculum and Standards Committee. The three assessment leads for the Federation Schools presented a data equalities document and the school performance indicators from last academic year were reviewed. It was a pretty data heavy meeting, but the assessment leads did brilliantly well and a special mention to Ms. Panesar for presenting the Lauriston data so well.

Bringing in things from home:

Please can I ask for the support of parents to ensure that pupils are not bringing in personal items from home. We have seen a rise in pupils bringing in trading cards, toys and even sweets. Bringing in personal items, such as the ones mentioned, can lead to children losing focus in class and arguing in the playground. Thank you for your support in this matter.

Wishing everyone a lovely weekend,

Best Wishes,
