## Update Letter

Dear Parents and Carers,

A wonderful and sunny week here at Lauriston! It has been busy as usual with so many exciting events and enrichment activities to talk about. This week Scots Pine class have been out on their Residential camping trip in beautiful Kent. They have had a great time and we are looking forward to welcoming them back later this afternoon. This week has also seen our termly whole school **Big Draw** event, where all the children develop their art skills and create fabulous outcomes all linked to a specific whole school theme. The artwork produced has been amazing and we are looking forward to seeing the pieces be used for our new displays along the main school corridor.

Our Year 3&4 Sports Day was a triumph! Thank you to all the parents for your support! There were some very competitive parent events as well! (Even some pre-race stretching happening!) For footage of these please visit our Twitter (X) account.

Our Year 1 children are busy practicing their phonics ahead of the Phonics Screening check next week and our Year 4 pupils are currently doing their Multiplication Tables Check and it has been lovely to see so many children becoming times tables tutors and hearing so many children practicing their times tables as they move around the school!

### **Parent Survey – Supporting our School Development Priorities for 2024-25**

Each year we send parents a survey to complete which helps us identify trends and areas of strength for the school. It also helps the school leadership team to look ahead when creating future school priorities. Please take a few minutes to complete the survey – we love hearing from you and it really does make a difference. The deadline for completing this survey is Friday 21<sup>st</sup> June.

### **Pupil Survey:**

As part of the School Development process, we also want to hear from the pupils. Please help support the children to complete their survey. The same deadline of Friday 21<sup>st</sup> June applies.
