

Blossom's World of PE

We are nearly closing the book on 23/24 academic year and we thought it would be a great idea to put together a showcase of all the amazing games, activities, competitions and sporting events your children have taken part in P.E. during this year across the Blossom Federation. We are very proud of the PE and Sporting provision we offer our children and recognize how lucky we are to be specialist staff in leading the learning with your children. The Blossom Federation children have done amazingly in school playing, learning, improving and exceeding their understanding and knowledge of

P.E and Sports subjects. From Reception to year 6 children have learned through fun, active and challenging sessions to work together collaboratively and give their best while being focused and determined to succeed using the Premier League Values (be ambitious, be inspiring, be connected, be fair).

Mr Clark, Mr Dima, Mr Simon and Mr Simeon (July 24)

In their P.E. sessions, Blossom Federation children have been taking part in swimming, wheelchair basketball, dance, taekwondo, NFL flag football, cricket, uni-hockey, tag rugby, boccia, archery, football, glow in the dark dodgeball, fencing, gymnastics, badminton, athletics and Outdoor Adventures. As part of their learning all children had healthy living, personal and dental hygiene, anti-bullying and emotional wellbeing workshops tailored for their age group.

To promote our Blossom Federation in the community and help children with their confidence, self-esteem and competitive spirit, children from KS2 across the federation have taken part in Federation dodgeball, football and basketball events and Sport Inspired festivals at Britannia Leisure Centre where we secured multiple Sport Inspired trophies across the federation. We love silverware!

During after-school clubs, children across the Federation have access to a variety of sporting activities/games like football, taekwondo, athletics, hockey, dodgeball, gymnastics, archery, boccia where children have the opportunity to improve and develop their skills in depth.

Children across the Blossom Federation have done amazingly in Young Hackney competitions and events winning medals and representing Hackney Borough at London Youth Games for NFL Flag Football where we ranked 13th in London.

We also took part in Hackney's Fun at the Marshes supported by lots of staff and parents and carers.

Our end of year events....Young Hackney's Personal Best Finals which were a triumph for our Y3 children and a real highlight of our calendar.....and Blossom Federation football trophy for year 6 boys and girls.

We would like to thank you for supporting us in all the sporting trips and hopefully we can build up on the success we had this year going into the next academic year as a Blossom Federation.

PE & Sport is a real strength at Blossom and we are proud to be known across the borough for our achievements.
